

Decorating Policy

Thank you for selecting AnandaRasa Catawba for your special event!

It is our great pleasure to host you! Please abide by our Decorating Policy for the safety of your guests and to help preserve this historic property.

1. Please leave the Event space in the original clean and orderly condition the space was in when you arrived. All trash and boxes that are brought in must be removed both prior to and after the Event. If trash is left in the event space, the User will be assessed a disposal fee of \$100.
2. When alcohol is being served during the Event, access behind the Bar is prohibited at all times. If you need water, please contact a staff member. If you need the refrigerator for any purpose (flowers, cake, etc.), please make a request to staff and we try to accommodate your need.
3. Open flames must be completely contained within a non-flammable (glass) container. Please bring a lighter if you are having contained flames. We do not supply matches or lighters.
4. Helium balloons are not permitted indoors or outdoors.
5. Live moss, burlap by-the-yard, artificial flower petals and other materials that create excessive dust or small debris are not permitted. Pre-fabricated burlap runners are permitted. Please contact our staff for specific questions.
